BUSINESS REPORT

Mrs. Rebecca Bouquet gave the board members a copy of the teacher's salary schedule after the discussion at the agenda meeting on January 31, 2023. She informed the board that the totals on the schedule does not reflect the November Supplement, the Thirteenth Check and the Pandemic Supplement.

She went over the budget ending in January 2023. She stated that the numbers still show some "lagging." Mrs. Boquet indicated that Workers Comp has set us back some \$671,000 and the accident from last school year has had a pay out of approximately \$400,000. She then covered the excess funds, which show a decrease over the last 3 yrs. Each year the amount is lower than the previous.

Mrs. Boquet gave the board a handout that shows projects that are currently in progress at the schools. She stated that the renovation projects are not complete and still has funds sitting in that account which will cover the cost. There are still adjustments that will need to be made as prices continue to increase on fuel, electricity, and insurance. With that, Mrs. Boquet concluded her report to the board.

SUPERINTENDENT'S REPORT

Mr. John Gullatt notified the board members and the public, that the soccer team has made the playoffs. He congratulated all the sport coaches on their fantastic year. He also stated that all of the schools are gearing up for the state testing.

Due to the LSBA conference in March, he discussed other possible dates for the Regular Board meeting. It was determined that the best date will be Monday, March 6, 2023. With that, Mr. Gullatt concluded his report.

PRESIDENT'S REPORT -

Mr. Bryan expressed how great it is to recognize students and staff for their accomplishments for the school year. He also wanted to express his sympathy, along with all of the board members, to the family of Ms. Shelia Blackmon. Her passing will be felt throughout the halls of Franklin Parish High School. With that, Mr. Bryan concluded his report.
