BUSINESS REPORT

Miss Lane gave a copy of the Budget to Actual for the general fund for April 2024 to the school board members. She reported that we should be receiving the Medicaid reimbursement payment soon. Also included in the report is the budget to actual for the Renovation and Construction report. Ms. Lane reported that we have received about \$70,000 more than last year. The largest payout this year has been in repairs and maintenance. Ms. Lane asked if there were any questions. With that, Ms. Lane concluded her report.

SUPERINTENDENT’S REPORT

Mr. Gullatt opened his report by stating that with the last rain we received we have found a small leak at WES that we have been looking for several months now. The water leak at Crowville was fixed. The awning at the high school's bus ramp was repaired after some damage from one of the storms. Final submittals concerning the sewer treatment plant at Baskin have been sent. It should be about two more weeks. We met with Louisiana Department of Transportation and Development about the sidewalks in Baskin. This is at the expense of the DOTD. Legislatively ESA is losing steam in the senate. I hope that we will not have to worry about that this year. Graduation is coming up; the high school is working hard to complete that. The banners will be setup and the ceremony will begin Friday, at 7:00 p.m. With that, Mr. Gullatt ended his report.

PRESIDENT’S REPORT -

Mr. Bryan opened his report by thanking Mrs. Donnell for the ACT recognition each year. Mr. Bryan asked Mrs. Nichols to report on her recent trip. She updated and thanked everyone for their support during the health problems that her husband has been going through, but received great news at the last trip. At this time, Mr. Bryan concluded his report
