BUSINESS MANAGER REPORT

Ms. Ellen Lane presented the General Fund Budget-to-Actual Reports for June and August 2026. She reported that June financial entries have been finalized and completed. Regarding the August report, she noted that the annual beginning-of-the-year insurance payment was completed and is reflected accordingly. There were no indirect costs to report. Ms. Lane highlighted cost increases in both health insurance benefits and bus transportation. Additionally, she noted that curriculum

materials were purchased using General Fund monies this year, a cost typically covered by federal funds. With that, Ms. Lane concluded her report.

SUPERINTENDENT'S REPORT

Mr. John Gullatt reported that the state requires all parish employees to complete Mandatory Reporter Training. This important training helps staff recognize signs of child abuse and outlines the process for reporting concerns to the Department of Children and Family Services (DCFS). Staff members are also completing the required Vector training, which should be fully compliant by the end of September. Additionally, training for school board members will be scheduled soon and will include the newly qualified, unopposed board members from July. With no further updates, Mr. Gullatt concluded his report.

PRESIDENT'S REPORT

Dr. Jacqueline Johnson had nothing to add.
