

delivery of the service shall be contained within the United States unless specifically agreed to in writing by the School Board.

Vendor agrees that any and all data obtained from the School Board shall be used expressly and solely for the purposes enumerated in the original Contract. Data shall not be distributed, used, or shared for any other purpose. As required by Federal and State law, Vendor further agrees that no data of any kind shall be revealed, transmitted, exchanged or otherwise passed to other vendors or interested parties. Vendor shall not sell, transfer, share or process any student data for any purposes other than those listed in the Contract, including commercial advertising, marketing, or any other commercial purpose.

Vendor shall establish and implement a clear data breach response plan outlining organizational policies and procedures for addressing a potential breach. Vendor's response plan shall require prompt response for minimizing the risk of any further data loss and any negative consequences of the breach, including potential harm to affected individuals. A data breach is any instance in which there is an unauthorized release or access of personally identifiable information or other information not suitable for public release. This definition applies regardless of whether Vendor stores and manages the data directly or through a contractor, such as a cloud service provider.

Vendor shall develop a policy for the protection and storage of audit logs. The policy shall require the storing of audit logs and records on a server separate from the system that generates the audit trail. Vendor must restrict access to audit logs to prevent tampering or altering of audit data. Retention of audit trails shall be based on a schedule determined after consultation with operational, technical, risk management, and legal staff.

Vendor is permitted to disclose Confidential Information to its employees, authorized subcontractors, agents, consultants and auditors on a need to know basis only, provided that all such subcontractors, agents, consultants, and auditors have written confidentiality obligations to Vendor and the School Board. The confidentiality obligations shall survive termination of any agreement with Vendor for a period of fifteen (15) years or for so long as the information remains confidential, whichever is longer, and will inure to the benefit of the School Board.

Vendor acknowledges and agrees that unauthorized disclosure or use of protected information may irreparably damage the School Board in such a way that adequate compensation could not be obtained solely in monetary damages. Accordingly, the School Board shall have the right to seek injunctive relief restraining the actual or threatened unauthorized disclosure or use of any protected information, in addition to any other remedy otherwise available (including reasonable attorney fees). Vendor hereby waives the posting of a bond with respect to any action for injunctive relief. Vendor further grants the School Board the right, but not the obligation, to enforce these provisions in Vendor's name against any of Vendor's employees, officers, board members, owners, representatives, agents, contractors, and subcontractors.

Vendor agrees to comply with the requirements of La. R.S. 51:3071 *et seq.* (Louisiana Database Breach Notification Law) as well as any other applicable laws that require the notification of individuals in the event of unauthorized release of personally identifiable

information or other event requiring notification. In the event of a breach of any of the Vendor's security obligations or other event requiring notification under applicable law, Vendor agrees to notify the School Board immediately and assume responsibility for informing all such individuals in accordance with applicable law and to indemnify, hold harmless and defend the School Board and its employees from and against any and all claims, damages, or causes of action related to the unauthorized release.

In accordance with applicable state and federal law, Vendor agrees that auditors from any state, federal, or other agency, as well as auditors so designated by the School Board, shall have the option to audit Vendor's service. Records pertaining to the service shall be made available to auditors and the School Board when requested.

Vendor agrees that if the original Contract is terminated or if the original Contract expires, Vendor shall return all data to the School Board in a useable electronic format. Vendor further agrees to erase, destroy, and render unreadable, all data in its entirety in a manner that prevents its physical reconstruction through the use of commonly available file restoration utilities. Vendor shall certify in writing that these actions have been completed within 30 days of the termination of the Contract or within seven (7) days from receipt of any request by the School Board, whichever comes first.

The terms of this Addendum shall supplement and supersede any conflicting terms or conditions of the original Contract between the Parties. Subject to the foregoing, the terms of the original Contract shall remain in full force and effect.
