District 7

January 12, 2022

Hello,

Franklin Parish School Board is monitoring the health and wellness of all our students in the district. We are aware that our students and staff are being affected by the number of COVID-19 cases and other ailments such as colds, stomach viruses, and flu. For this reason, the decision has been made to close Franklin Parish Schools on Thursday, January 13 and Friday, January 14. Students and employees will return to school on Tuesday, January 18. No meals will be served on these two days.

As a school district, we will take this time to thoroughly clean all schools in an effort to offset the transferring of these illnesses. We encourage everyone to use this cautionary measure to rest and to take adequate precautions to avoid any unnecessary exposure.

We would like to thank our students, parents, and employees for their patience and understanding as we navigate through this season. Franklin Parish students and their well-being come first, and we will continue to make that our top priority.

John Gullatt, Superintendent
Franklin Parish Schools
