MISSION STATEMENT

*Crowville Middle School is dedicated
to academic excellence for all students.*

PRINCIPAL'S MESSAGE

Welcome to a new school year. The faculty and staff of Crowville School are glad you are here. We will do whatever is necessary to make this school year a positive and an enjoyable learning experience for you.

Keep this handbook as a reference throughout the year to clarify expectations and rules for our students. If you have a concern during the school year, call or come by the office to discuss the situation. I will make every effort to see you in a timely manner. When each of us understands what is expected, it makes it easier for everyone.

Best wishes for a successful year.

Thank you,

Ms. Cynthia Swayzer

EQUAL OPPORTUNITY POLICY

The Franklin Parish School Board adheres to the equal opportunity provisions of federal civil rights laws and regulations that are applicable to this agency. Therefore, no one will be discriminated against on the basis of race, color, national origin (Title VI of the Civil Rights Act of 1964); sex (Title IX of the Education Amendments of 1972); disability (Section 504 of the Rehabilitation Act of 1973); or age (Age Discrimination Act of 1975) in attaining educational goals and objectives and in the administration of personnel policies and procedures. Anyone with questions regarding this policy may contact the Franklin Parish Superintendent, at 7293 Prairie Road, Winnsboro, LA 71295, (318) 435-9046.

PARENT/STUDENT HANDBOOK

This parent/student handbook should be read by both student and parent. Every effort has been made to make the handbook as useful as possible. Please take time to review the information within.

LOCKER POLICY

Lockers will be assigned to students in grades 5 - 8. Students will be allowed to go to lockers only at specific times during the day. If your child shares a locker with others and spends too much time at the locker searching for items, thus being tardy, he or she will be dealt with according to policy.

It is the student's responsibility to keep his/her locker neat and personal belongings secure. Students should not allow other students to know their combinations or share lockers. Materials not secured with a lock will not be "searched for".

TEXTBOOKS

It is the responsibility of the student to take care of textbooks issued and see that they are properly stored in his/her locker when not in use. Students will have to pay for lost or damaged textbooks. A student who does not pay for his/her lost or damaged books will not have his/her record cleared. Any student who drops out of school or transfers is responsible for turning in all textbooks before he/she drops out or transfers.

CHANGE OF AFTERSCHOOL ARRANGEMENTS OF A STUDENT

We will require a note signed by a parent or guardian to change a child's after school arrangements.

If a note is not provided, the child will be put on his/her usual bus. The note should be brought to the office as early as possible since we must fill out a bus boarding pass for your child to be allowed on the bus. Please avoid making changes in your child's afterschool arrangements after 3:20 in order to assure time for our staff to inform the student and teachers of the new arrangement.

DROP OF / PICK UP PROCEDURE

Parents who arrive at school earlier than 3:20 must come in to check out their children. *If your child needs to be checked out, please do so before 3:20.*

Parents will be directed to turn and circle the loop near the football field in order to get in line to pick-up students. Parents/students will be assigned a number for their vehicle. The number will need to be displayed in the front window of the vehicle. The duty teacher for pick-up will report the numbers in the order of the cars in line. Students will be called to the pick-up area by these numbers.

STUDENT INSURANCE

If you are interested in student insurance, you must purchase it. Franklin Parish School Board does not provide student insurance.

LUNCH PROGRAM

1. Students are provided breakfast each morning and lunch at noon. All students are eligible to eat free due to a Federal Grant.

2. All federal rules and guidelines will apply while in the cafeteria.
Two notable ones are:
 - A. Students who do not eat cafeteria food must sit in a designated area.
 - B. Outside food brought by students cannot have labels showing.
3. No food, straws, etc are to be brought from the cafeteria.
4. Students who do not eat lunch in cafeteria must bring a note from home to be kept on file in the office giving parental permission to skip lunch.

SCHOOL BUS REGULATIONS

1. The bus driver has the same authority as a teacher.
2. Students should be orderly at all times.
3. Students must obey any bus seating arrangement.
4. Students are to obey any rules of conduct established by the school or bus driver.
5. Students will be responsible for any damage they do to a bus.
6. Students must remain in school uniforms while riding the bus.
7. Gym clothes cannot be worn on the school bus.

Please refer to the Bus Brochure you received and signed at the beginning of school for bus disciplinary actions

VISITORS ON CAMPUS

Due to the amount of violence in the schools throughout our country, we are asking that parents report to the office immediately upon arrival on campus to sign in and be given a visitor's badge.

If anyone of the faculty sees you in our halls without a pass please don't be offended when asked to first go report in at the office. This is a precaution for your child and all children at our school. Safety is a number one priority.

UNSCHEDULED CONFERENCES

If a parent is unhappy about any occurrence at school, he/she should contact the school to arrange a conference if necessary. Parents should not call the teacher at home regarding complaints about grades. Records are kept at school and it is not possible for a teacher to remember grades made by each child.

We will not allow a teacher to be pulled from a classroom of students to conference with a parent who shows up at school without an appointment. This wastes valuable instruction time. You must call the school to schedule an appointment.

PUPIL ATTENDANCE POLICY

Students may not be absent for more than 10 unexcused absences. Students must be diligent in presenting doctor's excuses so that this number of days is not exceeded.

Students who are habitually absent will be referred to the Child Attendance Officer and may be in danger of retention because of their absences.

DEALING WITH ABSENCES

Upon returning to school, each absentee will be required to present a note from a parent/guardian consisting of the following information:

- (1) Name of student absent
- (2) Date of the absence
- (3) Reason for the absence
- (4) Signature of student's parent/guardian

This will be given to the home room teachers, who will forward them to the office.

The explanation for the absence will be noted, but not necessarily considered excused.

If he/she fails to bring the excuse before 5 DAYS have passed, the absence will be considered "*Unexcused*" with no right of appeal. Excuses will not be accepted after 5 days.

DOCTORS' NOTES REGARDING ABSENCES MUST BE PRESENTED WITHIN 5 DAYS AFTER THE STUDENT RETURNS TO SCHOOL.

These notes will be filed in the student cumulative folders. Letters are formulated by the computer and mailed after students miss 3, 5 or 10 days of school. These reflect all absences, excused with a doctor's note or otherwise. These letters are a courtesy to you so that you will know the number of absences recorded by our office. **If at the end of the school year, a student has missed more than 10 days which are not covered by doctors' excuses, the parents and child will have to meet with the school attendance officer.**

Students with excessive absences may be retained.

MAKE-UP WORK

Any student who has an "Excused" absence for one day or any part of one day will have the following school day to make up missed work. Any student missing two or more days with "Excused" absences will have the following three school days to make up any missed work.

IT IS THE STUDENT'S RESPONSIBILITY TO ASK FOR MAKE-UP WORK.

A student is required to take a test as scheduled even if he/she is absent the day before the **test if the teacher announced the test prior to the student's absence**. If a test is announced for the first time the day of the student's absence, the student will not be required to take the test upon immediate return. However, *it is the student's responsibility to request make-up work and test. The student will be required to complete all work within one week after returning to school.* Work not completed in one week will be assigned a failing grade. Extended absences may warrant special provisions for make-up work/tests. Make-up tests may NOT necessarily be the same version of the test.

LEAVING CAMPUS

No student may leave campus without permission of the principal or assistant principal. Students leaving campus without following the proper procedure are subject to disciplinary measures. A student will not be allowed to leave campus on any school-related activity or school business without prior permission from a parent/guardian. Parents must know that the student is going off campus during the regular school day.

CHECK-OUTS/CHECK-INS

Students who must leave school during the day must be checked out in the office by a parent/guardian or person designated by the parent/guardian on the enrollment form. Identification may be requested.

Parents/Guardians are not permitted to go to the classroom when checking in or out a student without permission from the office.

A student who arrives at school late must report to the office and receive an admit slip. Students who are late to school will be admitted by presenting a signed, dated note of request from a parent/guardian. Since he/she was probably reported absent by the first period teacher, the student's name may appear on the absentee sheet.

As with early checkouts, students who are habitually tardy will be reported to the child attendance officer.

Students who are tardy for individual classes will be disciplined as outlined in the discipline policy.

For example, students will have to do one day of inschool suspension on the fourth unexcused tardy in a three-week period as reported by the J Pams system.

DISCIPLINE POLICY

Every teacher, assistant principal, principal, and supervisor is authorized to hold every pupil to a strict accountability for any disorderly conduct in school or on the campus of the school or during any school activity. Discipline alternatives for these students will depend upon the severity of the behavior infraction but could include detention and/or suspension.

TEACHER'S CLASSROOM RULES

The establishment of the school's discipline policy does not prevent any teacher from making and enforcing additional classroom rules. The intent of the administration is for each teacher to make and enforce classroom rules consistent with the policy established by Crowville School and the Franklin Parish School Board. Each teacher has the right to decide on appropriate punishment for infractions of classroom rules. Consequences may include, but are not limited to, paddling, picking up paper, or any other consequence consistent with policy.

A student's refusal of a teacher's punishment for breaking classroom rules will result in action taken by the administration that, according to state law, may include suspension or expulsion.

DISCIPLINE PLAN FOR CLASSROOM

1ST TIME: Warning by teacher.
2ND TIME: Teacher disciplines as he/she sees fit.
3RD TIME: Parental contact is made by teacher.
4TH TIME: Trip to office.

If a student is habitually causing disturbances in an individual teacher's classroom, then the teacher at his/her discretion may withhold privileges from that student including prohibiting him/her from participating in extra activities such as field trips, parties, outings, or special projects.

A mandatory parent conference will be required with the school principal or child welfare and attendance supervisor before the student is allowed to return to school. Elementary students involved in a second fight at school during the same school year may be recommended for expulsion. Middle school through high school students involved in a second fight during the same school year will be recommended for expulsion.

When a recommendation for expulsion is made, the CWA will set a hearing date and provide written communication to the parent and the school principal within five (5) school days of the recommended expulsion.

MANDATORY SUSPENSION

The Principal shall be required to suspend a pupil who is found carrying or possessing a firearm, a knife or other dangerous instrumentalities, or possesses, distributes, sells, gives, or loans any controlled dangerous substance governed by state law, in any form.

Additionally, the principal shall immediately recommend that pupil's expulsion to the Superintendent, as state law has mandated expulsion for certain offenses, except in the case of a student in kindergarten through grade 5 who is found carrying or possessing a knife with a blade two (2) inches or longer, the principal may, but shall not be required to recommend the student's expulsion.

School officials, in accordance with statutory provisions, shall have total discretion and shall exercise such discretion in imposing on a pupil any disciplinary action authorized by state law for possession by a pupil of a firearm or knife on school property when such firearm or knife is stored in a motor vehicle and there is no evidence of the pupil's intent to use the firearm or knife in a criminal manner.

Whenever a pupil is formally accused of violating state law or school disciplinary regulations by committing battery on any school employee, the principal shall suspend the pupil from school immediately and the pupil shall be removed immediately from the school premises without the benefit of required procedures, provided, however, that such procedures shall follow as soon as practicable.

EXPULSION

A student may be expelled (dismissed from all classes for the remainder of the school year) for the following reasons:

- A. Multiple suspensions.**
- B. When a single incident of serious misconduct occurs.**
- C. All expulsions are recommended by the principal and administered by the Superintendent of Schools in Franklin Parish.**
- D. Each expelled student has the right to due process which includes a hearing and the right to appeal.**

The Board shall authorize the Superintendent to expel a pupil from school if an offense committed by the pupil is serious enough to warrant such action or is in violation of state law. Upon the recommendation for expulsion of a pupil by the principal, the Superintendent or designee shall conduct a hearing to determine whether expulsion or other disciplinary action shall be taken. At the hearing, the principal and/or teacher concerned may be represented by any person appointed by the Superintendent and the concerned teacher shall be permitted to attend and present any relevant information. Until the hearing, the pupil shall remain suspended. At the conclusion of the hearing the Superintendent or designee shall determine whether expulsion or other corrective action is necessary.

School officials, in accordance with statutory provisions, shall have total discretion and shall exercise such discretion in imposing on a pupil any disciplinary actions authorized by state law for possession by a pupil of a firearm or knife on school property when such firearm or knife is stored in a motor vehicle and there is no evidence of a pupil's intent to use the firearm or knife in a criminal manner.

The parent or guardian of the pupil may, within five (5) days after the decision to expel has been rendered, request the Board to review the findings of the Superintendent or designee at a time set by the Board. After reviewing the findings of the Superintendent or designee, the School Board may affirm, modify, or reverse the action of the Superintendent or designee. Any pupil who is expelled shall receive no credit for school work missed while he is expelled.

State law requires the Superintendent to expel a pupil for minimum periods of time if found guilty of certain offenses, as follows:

A. 16 years or older

If after an appropriate hearing a pupil is found guilty of possession of, or knowledge of and intentional distribution, or possession with intent to distribute, any illegal drug or substance on school property, on a school bus, or at a school sponsored event, the pupil shall be expelled for a minimum of twenty-four (24) calendar months.

2. A student possessing any controlled dangerous substance that has been obtained directly or by written prescription of a doctor. However, such student shall carry evidence of that prescription or physician's order on his person at all times when in possession of any controlled dangerous substance which shall be subject to verification.

ADDITIONAL REASONS FOR EXPULSION

- policies or other rule infractions, depending on the severity of the behavior, may be expelled upon recommendation to the Superintendent by the principal, and after an appropriate hearing is held by the Superintendent or designee.
2. Any student who is found carrying or possessing a knife.
 3. A pupil determined to have brought a weapon to a school under the Board's jurisdiction shall be expelled for a minimum of one year. The Superintendent may modify the expulsion requirement on a case-by-case basis. The conviction of any pupil or a felony or the incarceration of any pupil in a juvenile institution for an act which had it been committed by an adult, would have constituted a felony, shall be cause for expulsion of the pupil for a period of time as determined by the Board: such expulsions shall require the vote of two-thirds of the elected members of the Board.

NOTIFICATION OF DUE PROCESS

In addition to the due process criteria herein above set forth, the principals of each school shall, in case of suspension or expulsion of a student, notify the following individuals by written notice of the facts concerning each suspension or expulsion and the reasons therefore and the terms thereof:

1. Supervisor of Child Welfare and Attendance
2. Parent or legal guardian of the student
3. The student himself
4. The Superintendent of Schools

Search and seizure is defined as the search of a student's person, desk, locker, vehicle, or other area.

State Law: *BE IT ORDAINED, ETC.*, That teachers, principals and other school administrators are authorized to search any desk, locker, or any other public-school property, land or buildings, or the student himself in the presence of another adult witness. The search is authorized at any time when there is probable cause that any school building, desk, locker, area ground, or student's person contains any weapon, illegal drugs, stolen goods, or any other material which should not be at school.

SCHOOL VIOLENCE CLAUSE

Because of the incidence of school violence taking place across the United States, Crowville teachers and administration will take immediate and firm action against any students making reference to the use of weapons within the school. Any student making threats of any form or fashion, even in joking,

will be counseled and dealt with as school personnel deem appropriate. Professional counseling may be recommended.

MEDICATION POLICY

Louisiana laws regarding medication administration in the school system have changed. In order for your child to receive medication at school, the following must be on file:

1. The physician's completed order on the Medication Order Form. Any change in orders, requires a new order form. If the doctor orders that a child **MUST** keep the inhaler or Epi-pen on his/her person at all times, an additional order form will be provided for completion by a physician and parent.
2. A release of liability
3. Consent and general information
4. Emergency information
5. **ALL** medication will be given by the school nurse.

No more than a 25 day school supply of medication can be kept at school. Any unused, contaminated, discontinued, or out-of-date medication will be picked up from the school by the parent, or the medication will be destroyed by the school employee according to the written policy.

If a student has an inhaler or Epi-pen on his/her person and uses it while at school, he/she must go to the office as soon as possible to sign a medication log.

If a child's physician determines that a dose of medication cannot be omitted for a field trip, as the parent, you have the option of delivering and administering that dose of medication on the field trip.

Prior to the beginning of each school year or for any new medication orders, the parent **MUST arrange to meet with the school nurse to complete necessary paper work.**

If any medication found in a student's possession whether it be by prescription or over-the-counter, the student is subject to disciplinary action.
