Dear Parent or Guardian:

I am pleased to welcome you back to the 2021-22 school year! I would like to extend a special welcome to all of the new families joining Fort Necessity this year and welcome back all of our returning families as well! I am honored to be your principal. Our goal at Fort Necessity is to work together to provide our students with a rich learning environment. My vision, as the principal, is to ALWAYS put kids first! My belief is that all students can learn. As educators, we need to discover how each child learns in order to differentiate our instruction to support diverse learning styles. In a collaborative effort, we want children to thrive in all ways possible. My hope is that all children will LOVE school and nurture a learning environment that is positive, safe, warm, caring, as well as a fun place to learn and grow.

Student success is attributed to the partnership and the relationships we build within our community and this is MOST important now more than ever. It truly does take a village and at Fort we value teamwork and collaboration! Education is a joint venture and we greatly appreciate the support you provide for your children at home and at school to help them meet their learning goals. As a principal, my door is always open and I am looking forward to this school year!

Sincerely,

Scott McHand, Principal

FORT NECESSITY JUNIOR HIGH SCHOOL

MISSION STATEMENT AND GOALS

We are dedicated to academic achievement for all students.

- GOALS:**
1. Motivate students at FNJH to improve academically in reading and math.
 2. Improve academic achievement of students at FNJH by providing more individualized instruction.
 3. Improve discipline/behavior of students at FNJH.
 4. Increase parental involvement at FNJH.

PRINCIPAL'S SCHEDULE

If you need to talk with the principal, you are encouraged to call the school at (723-4793) or make an appointment to meet with me. You can email Scott McHand at smchand@fpsb.us also. I will email you back as soon as possible.

ARRIVAL

The school day begins promptly at 7:30 a.m. **Students should not arrive on campus before 7:10 a.m. because adult supervision is not available prior to unloading of the first bus.** ALL STUDENTS who plan to eat breakfast at school must arrive no later than 7:20 in order to eat and have time to get to class without being tardy. Students arriving after 7:20 should eat breakfast at home so they will not be tardy for class and miss instruction. Students late for class (after 7:30) are required to "check in" at the office to receive an admit slip before going to the classroom. The hall doors will be locked after 7:30. The classroom teacher is responsible for documenting the attendance of all students by 7:30 and beginning instruction as soon as possible. If you need to conference with the teacher, please check with the office and schedule an appointment during her planning time.

MORNING DROP-OFFS

Students should not be dropped off before 7:10 every morning. This gives the buses time to unload because it poses a safety hazard when students are being dropped off as buses are leaving. Please drop students off in front of the office or in front of elementary building.

DISMISSAL

Students are expected to be off campus by 3:50 p.m. If you pick up your child before 3:30 they will miss academic materials being taught. Parents picking up children must go to the office to sign them out. The secretary will contact your child for you. **All children are expected to be picked up promptly after school is dismissed. If you are not here by the time buses arrive, your child will be put on the bus they are assigned to take them home.** If you are going to be late, please make arrangements for your child. When students are to use a different way of leaving school at dismissal time, either by car or bus, **the teacher and office must be notified in writing.** Changing a child's routine in the afternoon is discouraged because the child becomes confused about what he/she is supposed to do.

ATTENDANCE

Students must be present the required number of minutes to be eligible to pass to the next grade. Exceptions can be made only in the event of extended illness as verified by a physician and/or other extenuating circumstances approved by the principal. "Medical excuses" are kept on file.

Early check-out: The number of minutes the student is checked out early will be recorded. After 60 minutes, he/she will be counted as absent for 1 hour. If your child is being checked out for extenuating circumstances an excuse may be granted by the principal. It is important to remember checking out your child habitually causes them to miss important school work and could negatively affect their school performance.

TARDINESS

Parents are expected to ensure that their children arrive to school and class on time. Any student arriving after 7:30 a.m. will be considered tardy unless they have a doctor's or dentist's excuse. They are required to report to the office before going to the classroom. If your child is tardy as the result of extenuating circumstances an excuse may be granted by the principal.

1. In the event that 5 unexcused tardies occur, the parent/guardian will be contacted to encourage punctuality.
2. When 10 unexcused tardies occur, the principal or assistant principal will contact the parent/guardian encouraging punctuality.
3. After 15 unexcused tardies, further action may be taken.

BREAKFAST AND LUNCH

Nutritious breakfast and lunches are served daily. All students will be eating free this year. If a student chooses to bring his/her lunch, he may purchase milk or juice for \$.75 or bring a beverage in a thermos. No glass bottles or beverage will be allowed in the cafeteria.

Parents are welcome to eat in the cafeteria with their children. Please consult your child's teacher concerning the policy. All parents should sign in upon arrival at school in the office before going to the cafeteria. Adult prices for lunch are \$3.75.

CAFETERIA RULES

- * No glass bottles or beverage cans will be allowed in the cafeteria
- * Any carbonated drink must be brought in a thermos.
- * No food or drink shall be taken from the cafeteria.
- * **Proper conduct and common rules of etiquette shall be observed in the cafeteria at all times.**
- * Students should talk at a quiet level to those seated next to them to keep the noise level to a minimum.
- * The eating area should be cleared of all paper before student returns his/her tray.

VISITORS

Visitors may be granted special permission by the principal to visit students or teachers under special circumstances. Visitors who use profane language will be asked to leave the campus immediately. Fort Necessity Junior High School is a smoke-free campus. ALL VISITORS are required to follow this policy. **PROTECTING INSTRUCTIONAL TIME IS A PRIORITY AT FNJH!**

ACCIDENTS/ILLNESS

If a child becomes seriously ill or is seriously injured at school, the school will immediately get in touch with the parent. It is imperative that each parent leave an emergency telephone number in the office in case such an event should occur. Parents must be contacted to pick up their children who become ill at school. Students running a temperature should not come to school and be free of fever before returning to school, in order not to expose others and to speed their recovery. A doctor's or parent's written excuse will be necessary for an absence to be an excused absence. All activities will be adequately supervised, however, accidents occur. Parents must bear the expense for injuries to their children. Parents should consider purchasing school insurance or private insurance for their children. **If a student is sent home for LICE, the parents MUST get a letter from the school nurse at the school board before they can return to school.**

MEDICATION IN SCHOOL

If your child needs to take medication at school, appropriate forms must be completed with the school nurse located at the school board office through the parish nurse.

SEARCH AND SEIZURE

Fort Necessity Junior High School reserves the right to inspect or search desks, students, and visitors at any time for health and safety reasons. School district administrators are authorized, under justifying circumstances, to require students or other persons under the administrator's jurisdiction to submit to a thorough search of their person and personal belongings including, but not limited to, clothing, shoes, handbags, backpacks, and wallets to seize any unauthorized materials. Any individual/student who refuses to comply or cooperate with these expectations will result in parent/guardian and local law enforcement contact, as well as possible placement at HGW and subject to other disciplinary action. If a more extensive search is required, it will be conducted by local law enforcement.

HOMEWORK

Homework will be given on an increasing basis as your child progresses through school. Parents may wish to set aside 20 - 45 minutes each evening. We do not advise more than 45 minutes.

Parents and teachers should work together to see that homework is completed and returned to school. (Homework is not necessarily assigned in each subject every night.)

Homework serves as an important purpose in your child's school life. It is a means of reviewing and reinforcing the lessons taught in school. Homework is also a way to help your child to develop work and study habits that will assist him or her throughout the years spent in school.

You can help your child develop routines that will be of assistance in successfully completing homework assignments. Homework will help your child grow and develop. Please feel free to consult your child's teacher whenever there is a question about homework. We want homework to be a help not a punishment.

USE OF INTERNET

The Franklin Parish School Board provides access to the Internet to students, teachers, staff, and administrators. Any and all users of the Internet shall adhere to the policies as set forth by the Franklin Parish School Board. All students must have an "Acceptable Use Contract and Parent Permission Form" signed by a parent and on file before they will be allowed to use the Internet.

BULLYING/CYBERBULLYING

Bullying shall be defined as when a student is exposed repeatedly and over time to negative actions on the part of one or more students. This could include unwelcome verbal, written, electronic, or physical conduct directed at a student by another student or students. Cyber bullying includes, but not limited to, the following misuses of technology **during the school day**: harassing, teasing, intimidating, threatening, or terrorizing another student, teacher, or employee of the District by sending or posting inappropriate or derogatory email messages, instant messages, text messages, digital pictures or images, or website postings. Fort Necessity will not tolerate known acts of harassment or bullying occurring on the school property, at school-sponsored activities scheduled on or off school grounds or during the time students necessarily spend traveling to and from school or school-sponsored activities.

Complaints of harassment, bullying, or cyber bullying shall be investigated promptly, and corrective action shall be taken when a complaint is verified. Neither reprisals nor retaliations shall occur as a result of the submission of a complaint.

Bullying/Cyber bullying lessons will be taught the first week of school to educate students on this topic.
