● Update the school parent and family engagement policy periodically to meet the changing needs of parents and the school, distribute it to the parents of participating children, and make the parent and family engagement policy available to the local community.

● Provide full opportunities, to the extent practicable, for the participation of parents with limited English proficiency, parents with disabilities, and parents of migratory children, including providing information and school reports required under Section 1111 of the ESSA in an understandable and uniform format, including alternative formats upon request and, to the extent practicable, in a language parents understand.

2. Parents are encouraged to be actively involved in their child's education at school,

● Jointly Developed

The Franklin Parish School District will take the following actions to involve parents in an organized, ongoing, and timely manner in the planning, review, and improvement of Title I programs, including opportunities for regular meetings, if requested by parents, to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their child and respond to any such suggestions as soon as practicably possible.

The district and school policies, and the School Improvement Plans are reviewed each school year and revised annually. Sources used in the development of these policies and plans include a district wide advisory team, individual school meetings, annual parent survey results, parent meetings, and parent-teacher conferences. This policy and all school policies are posted on our system and school websites where they are available for parent comments and suggestions. This policy is a working document subject to review and revision.

● Annual Title I Meeting

The Franklin Parish School District will take the following actions to conduct an annual meeting, at a convenient time, and encourage and invite all parents of participating children to attend to inform them about the school's Title I program, the nature of the Title I program, the parents' requirements, the school parent and family engagement policy, the schoolwide plan, and the school-parent compact.

Parents are surveyed annually to determine whether parent engagement needs are being met effectively and appropriately through the implementation of the parent and family engagement programs. Parents are given the option to complete the survey electronically. The results of these surveys are used to develop strategies for school improvement and to revise the district and school Parent and Family Engagement Policies. These results are also used in planning future parent meetings. Areas evaluated include academics and school leadership, parent involvement, Title I, school environment, and the school Parent and Family Engagement Program.
