Teacher candidates prepared in an **undergraduate/traditional teacher preparation program** must meet the following mentoring requirements:

- The residency shall include IEP and IAP review and implementation, classroom teaching, analysis of student assessment results, parent-teacher communications, and collaboration with other educators.
- The teacher candidate must spend a minimum percent of the residency school site's instructional time each week engaged in residency activities in accordance with Section 743 of [Bulletin 996 – Standards for Approval of Teacher and/or Educational Leader Preparation Programs](#).
