FRANKLIN PARISH SCHOOL DISTRICT

PARENT REQUEST TO DISCONTINUE SPECIAL DIETARY ACCOMMODATION

Child Nutrition / School Health Documentation

Student Name: _____	**Date of Birth:** _____
School: _____	**Grade:** _____

CURRENT DIETARY ACCOMMODATION / RESTRICTION TO BE DISCONTINUED

Food(s), ingredient(s), or accommodation currently listed but no longer applies to my student:

_____

RESTRICTION TO BE CONTINUED (if applicable)

Food(s), ingredient(s), or accommodation that still applies to my student: (if none, write none)

_____

new allergies will not be added unless order signed by physician. Allergies may only be **removed without MD order.*

PARENT / GUARDIAN REQUEST

I am the parent/legal guardian of the student named above. I am requesting that Franklin Parish School District discontinue the special dietary accommodation identified above and remove the associated dietary restriction from the school cafeteria/child nutrition system.

I affirm that my child no longer requires the school cafeteria to avoid, restrict, or substitute the food(s) or ingredient(s) identified above and may receive the regular school meal, including foods that may contain the previously restricted item(s).

I understand that, once this request is processed, cafeteria staff will no longer be expected to provide the previous substitution or restriction. If my child requires a special dietary accommodation again in the future, I understand that I must notify the school and complete the documentation required by district policy.

IMPORTANT: This request applies only to the cafeteria/meal accommodation listed above. It does not automatically discontinue emergency medications, allergy action plans, Individualized Healthcare Plans (IHPs), 504 accommodations, or other medical orders. Those items must be reviewed separately, when applicable.
