FRANKLIN PARISH HIGH SCHOOL MISSION and VISION STATEMENTS

Mission Statement -- *Excellence for Everyone, Every Day.*

Vision Statement – *Through collaboration among all stakeholders, FPHS will ensure that all students are college and career ready to succeed in a global community.*

FRANKLIN PARISH SCHOOL BOARD SOCIAL RELATIONSHIP POLICY

The Franklin Parish School Board: (1) shall have no racially discriminatory policy regarding students' social relationships, including dating; (2) shall not tolerate such discriminatory practices by school district employees and agents acting in their official capacities; (3) shall not monitor, based on student racial identity, otherwise appropriate student social relationships, and; (4) shall vehemently oppose (to the fullest degree allowed by law) any threats of intimidation or violence against students based upon students' racial identity and/or social relationships.

The Franklin Parish School Board adheres to the equal opportunity provisions of federal civil rights laws and regulations that are applicable to this agency. Therefore, no one will be discriminated against on the basis of race, color, national origin (Title VI of the Civil Rights Act of 1964); Sex (Title IX of the Education Amendments of 1972); disability (Section 504 of the Rehabilitation Act of 1973); or age (Age Discrimination Act of 1975) in attaining educational goals and objectives and in the administration of personnel policies and procedures. Anyone with questions regarding this policy may contact Dr. Lanny Johnson, Superintendent, at 7293 Prairie Road, Winnsboro, LA, 71295, (318) 435-9046. After reading the student handbook, review the following and sign the Student/Parent Statement of Compliance Form.

ACCIDENT/INJURY PROCEDURES

Student accidents and injuries must be reported to the main office and/or the nearest teacher immediately. The nearest staff member will give temporary first aid depending on the nature/extent of the injury. If necessary, the parent or other family member will be called to pick up the injured student. The parent then assumes responsibility for further care. In extreme emergencies the school nurse or ambulance may be called. All accidents/injuries must be reported on an official form providing details about the accident. Accident report forms are available in the main office.

ASSEMBLIES

Assemblies will be held periodically for educational, cultural, or business purposes. Courtesy and attentive behavior is expected at all assemblies. Violations of acceptable student conduct could result in disciplinary action by the teacher and/or administrator. Regardless of the type program, courtesy demands that the students be respectful and appreciative. Yelling is appropriate only at sporting events and pep rallies.

ATTENDANCE REGULATIONS

To All Parents and 9-12th Grade Students:

Louisiana State Law mandates compulsory school attendance in which **every parent or legal guardian of a student shall enforce and be held accountable for the attendance of their student for every day scheduled by the local school board until their eighteenth (18) birthday.** Daily phone calls are made if a child is tardy, absent, or checks out early. Records of a student's attendance prints out on his/her progress reports and nine (9) week report cards. Also, at any time parents can view their child's current grades, discipline, and attendance through the Student Progress Center on the School District website at www.fpsb.us.

All students are expected to attend school regularly and be on time for classes. There is a direct relationship between poor attendance and class failure. **Due to the misunderstanding of the state attendance requirements for students in our district, we feel it is necessary to implement the following attendance policies for the 2022-23 school year.**

A student is considered to be in attendance when he or she is physically present at a school site or is participating in an authorized school activity and is under the supervision of authorized personnel. This definition for attendance would extend to students who are homebound, assigned to and participating in drug rehabilitation programs that contain a state-approved education component, participating in school-authorized field trips or other school-approved activities, or taking a state-approved virtual course.

- **Half-day attendance** - A student is considered to be in attendance for one-half day when he or she (1) is physically present at a school site or is participating in an authorized school activity and (2) is under the supervision of authorized personnel for more than 25% but not more than half (26%-50%) of the student's instructional day.
- **Whole-day attendance** - A student is considered to be in attendance for a whole day when he or she (1) is physically present at a school site or is participating in an authorized school activity and (2) is under the supervision of authorized personnel for more than 50% (51%-100%) of the student's instructional day.

Franklin Parish Attendance Policy

1st Notice: When a student accumulates three (3) unexcused absences, the parent or legal guardian will be notified in writing. This notification shall include information relative to the parent or legal guardian's legal responsibility to enforce the student's attendance at school and the civil penalties that may be incurred if the student is determined to be habitually absent or habitually tardy. The student's parent or legal guardian shall sign a receipt for such notification.

2nd Notice: When a student accumulates five (5) unexcused absences, the parent or legal guardian and student are required to attend a mandatory conference with the school administrator or their designee. If the parent or legal guardian does not attend the mandatory conference, the principal will send a referral for investigation and/or home visit to the Supervisor of Child Welfare and Attendance. A referral to the FINS program can be made at this time.

3rd Notice: When a student accumulates eight (8) unexcused absences, the principal shall send a request for assistance letter to the Child Welfare and Attendance Supervisor. The Supervisor of Child Welfare and Attendance shall file a Court Referral with the Fifth Judicial Court System. The punishment shall be as follows:

- A. A first offense shall be punished by a fine of not more than two hundred fifty (250) dollars or not more than 30 days in jail, or both.
- B. The court system can require parents to participate in forty (40) hours of community service or a combination of community service and attendance in parenting classes or family counseling sessions.
- C. Students and parents will be required to attend Truancy Court at the given date and time.
- D. The parent or legal guardian will be required to pay court costs

4th Notice: After the eleventh (11) unexcused absences, notices will be sent to the parents or legal guardian.

Reporting Absences

All excuses for a student's absence, including medical verification of extended personal illness, must be presented within five (5) days of the student's return to school or the student's absence will be considered unexcused.

Exceptions to the attendance regulation shall be the enumerated extenuating circumstances below that are verified by the Supervisor of Child Welfare and Attendance or the school principal/designee where indicated.

1. Extended personal physical or emotional illness as verified by a physician or nurse practitioner licensed in the state.
2. Extended hospital stay in which a student is absent as verified by a physician or dentist.
3. Extended recuperation from an accident in which a student is absent as verified by a physician, dentist, or nurse practitioner licensed in the state.
4. Extended contagious disease within a family in which a student is absent as verified by a physician or dentist licensed in the state.
5. Quarantine due to prolonged exposure to or direct contact with a person diagnosed with a contagious, deadly disease, as ordered by state or local health officials; or
6. Observance of special and recognized holidays of the student's own faith.
7. Visitation with a parent who is a member of the United States Armed Forces or the National Guard of a state and such parent has been called to duty for or is on leave from overseas deployment to a combat zone or combat support posting. Excused absences in this situation shall not exceed five (5) school days per school year.
8. Absences as verified by the principal or his/her designee as stated below:
 - A. Prior school system-approved travel for education;

- B. Death in the immediate family (not to exceed one week); or,
- C. Natural catastrophe and/or disaster.

For any other extenuating circumstances, the student's parents or legal guardian must make a formal appeal in accordance with the due process procedures established by the school system. Students who are verified as meeting extenuating circumstances, and therefore eligible to receive grades shall not receive those grades if they are unable to complete makeup work or pass the course.

Attendance Report for Student Drivers

A student who does not meet the required minimum school attendance provisions may be subject to denial or suspension of his/her driver's license or learner's permit. Written notification of a minor student who has been determined by the principal to be a dropout or habitually absent or tardy may be sent to the Louisiana Office of Motor Vehicles for denial or suspension of driving privileges.

Tardiness

A student is considered tardy to class if the student is not in the classroom when the bell to begin class ceases. A student will be considered tardy to school if the student is not in his/her homeroom/first period class when the bell to begin homeroom ceases. Tardy shall also mean leaving or checking out of school unexcused prior to the regularly scheduled dismissal. Students who exhibit habitual tardiness shall be subject to disciplinary action. Parents of students who continue to be tardy shall be notified for a conference with the principal or their designee. The student may be subject to suspension from school and the parent/legal guardian subject to court fines or community service.

Any questions can be directed to your school or the Child Welfare and Attendance Supervisor. Please contact the Child Welfare and Attendance Supervisor for assistance with special circumstances that may be interfering with your child's ability to attend school on a regular basis. Our mission is to provide the best education possible for your child and we cannot do this if your child is not attending school on a regular basis. Thank you for your cooperation in this very important matter.

Returning to School after an Absence

All students who are returning to school after an absence must bring a written excuse to be given to the first period teacher. The teacher will write the student's first and last name on the top of the excuse. These will be sent to the assistant principal in charge of attendance. A doctor's office may FAX an excuse to the high school with attention to Mr. Trimble.

NOTE: Students who check out early must bring a note for classes missed in order to complete make-up work. It is the teacher's responsibility to check to see whether a student's absence is excused or unexcused. If the absence is unexcused, **the student is not allowed to make up the work.**

Make-up Work

1. Students who meet the criteria for excused absences under the provisions for “Extenuating Circumstances and Temporarily Excused Absences” (below) may make up any work missed while absent. **Students have the same number of days to make up work as they were absent.** It is the **student’s responsibility** to contact the teacher for all assignments missed. It is impossible for a teacher to make up all the educational experiences and benefits a student misses while absent. The teacher is under no obligation to spend extra time tutoring the student to help make up missed work. **Incomplete six weeks’ grades become F’s if missed work is not completed within one week after the end of the grading period.** After the one-week grace period, incomplete grades must be entered by the administration when turned in by the teacher.
2. The days a student missed school as the result of any out-of-school suspension shall be counted as unexcused absences. The student **will be allowed** to make-up work missed.
3. Students shall not be excused from school to work on any job, including agriculture and domestic service even in their own homes for their parents, unless the guidelines for temporarily excused absences are fulfilled.
4. **There are two types of absences for which work may be made up:**
 - 1) Extenuating Circumstances: **(For any extenuating circumstances other than the ones listed below, parents must make a formal appeal in accordance with the due process established by local school system.)**
 - a) Medical appointments and personal physical or emotional illness as verified by a physician
 - b) Hospital stay as verified by a physician
 - c) Recuperation from an accident as verified by a physician
 - d) Contagious disease within a family as verified by a physician
 - e) Prior school system approved travel or activities for educational purposes
 - f) Death in family (not to exceed one week) verified by documentation
 - g) Natural catastrophe and/or disaster
 - 2) Temporarily Excused Absences (Absences will be counted toward total days of absence allowed per year.)
 - a) Personal illness of a student or student’s family which causes the student to miss class, verified by a note from the parent to the school
 - b) family need conflicts with regular class attendance, and the family gets approval from the principal for the student to miss one or more classes or days of school
 - c) Temporary, unique conditions which unexpectedly cause a student to miss one or more classes or days of school
 - d) Recognized religious holidays verified by a call or note from the parent to the assistant principal in charge of attendance

ATHLETIC PROGRAM

1. FPHS offers different sports in which students may participate. The rules of the Louisiana High School Athletic Association will be followed at all times.
2. Athletes will not participate in games or practice sessions while they are serving a suspension from school.

3. Athletes must attend at least one hour of the school day in order to participate in any game or practice session that day.
4. A student athlete may be suspended from any athletic contest for major behavior infractions at the discretion of the administration.
5. Athletes who commit minor infractions may, at the discretion of the administration, be assigned to after school athletic detention (ASAD).
6. No back packs will be allowed when entering an athletic event.

Franklin Parish School Board Transfer Policy for Athletic Participation (approved by Franklin Parish School Board on April 10, 2007): Rules established by the Louisiana High School Athletic Association (LHSAA) shall be in effect as printed in the current LHSAA Official Handbook. Additionally, the following rule (Option B) shall apply to students who transfer to Franklin Parish High School from non-member schools.

Option B: Should a student transfer to Franklin Parish High School from a non-LHSAA member school or home school, they are immediately eligible to participate in athletic competition. Should they move back to their previous non-member school, home school, or any other non-member school, they will be ineligible at FPHS for one calendar year from the date of enrollment at the non-member school.

BEHAVIOR – STUDENT CODE OF CONDUCT

The Franklin Parish School Board expects students to be well behaved while attending school or any school activity and conduct themselves in an appropriate manner at all times. Every teacher and every other school employee shall be authorized to hold every student to a strict accountability for any disorderly conduct, and discipline policies shall be applicable, in school or on the playgrounds of the school, on the street or road while going to or returning from school, on any school bus, during intermission or recess, or at any school-sponsored activity or function.

Students have the responsibility to know and respect the rules of the school system. Students shall comply with all School Board policies and school regulations, student codes of conduct, and directions of principals, teachers, and other authorized school personnel during any period of time when the student is under the authority of school personnel.

The School Board shall demand reasonable student behavior and administer discipline with fundamental fairness without regard to gender, race, ethnic origin, religion or political belief. All students shall be afforded the basic rights of citizenship recognized and protected for persons of their age and maturity. Students shall exercise their rights and responsibilities in accordance with rules established for orderly conduct of the school's mission. Students who violate the rules of conduct shall be subject to disciplinary measures designed to correct the misconduct so that an environment conducive to learning can be maintained.

Moreover, the School Board reserves the authority to discipline students for behavior that may constitute a material disruption of the educational process such as audio, video, or other

materials/information that may appear on the Internet or be transferred over electronic devices.

STUDENT CODE OF CONDUCT

While the School Board cannot reasonably be expected to develop a *Student Code of Conduct* in such detail as to anticipate every type of misconduct that could possibly occur, the School Board shall develop and maintain a *Student Code of Conduct*, which shall enumerate the necessary discipline action to be taken against any student who violates the *Code of Conduct*. It shall be in compliance with all existing policies, rules, and regulations of the Louisiana Board of Elementary and Secondary Education and all state laws relative to student discipline.

Prior to the beginning of each school year, all schools of the Franklin Parish School District shall provide each student, and his/her parent, tutor, or legal guardian with a *Student Handbook* or similar document that identifies and explains discipline policies, rules or regulations, and procedures that are parish-wide and/or specific to that school, as well as outline the consequences for students who violate the *Student Code of Conduct* or any school policy, regulation, or procedure. Such consequences may include, but may not be limited to, oral or written reprimands, parental contact, removal of the student from the classroom, detention, corporal punishment, in-school suspension, suspension from school, assignment to an alternative school, recommending expulsion from school, or any other disciplinary measure authorized by the principal in conjunction with state law and/or School Board policy.

ORIENTATION/NOTICE

Students shall be informed by school authorities that violations of School Board policy and school rules or regulations may result in a range of disciplinary actions including suspension or expulsion. Each school shall plan and conduct an orientation and other meetings within the first five (5) days of school each year to fully inform all employees and students of all discipline policies, provisions of the *Student Code of Conduct* applicable to such students, and rules and regulations necessary for the safe and orderly operation of the public schools. The orientation shall also include information on the consequences of failure to comply with disciplinary rules and requirements of the *Student Code of Conduct*, particularly bullying and similar prohibited conduct, including suspension, expulsion, the possibility of suspension of student's driver's license, and the possible criminal consequences of violent acts committed on school property, at a school-sponsored function, or in a firearm-free zone, as well as the contents of the *Teacher Bill of Rights*. Meetings shall also be held throughout the school year as may be necessary to inform new employees and new students of such discipline policies, and regulations, contents of the *Student Code of Conduct*, and pertinent school rules.

The orientation instruction shall be age appropriate and grade appropriate and take into consideration whether the student is in a regular or special education program.

Any student who does not receive the orientation during the first five (5) days of the school year shall be provided an orientation during the first five (5) days of the student's attendance.

STATEMENT OF COMPLIANCE

Each student in grades 4-12 and each parent or guardian of a student in grades 4-12, shall annually sign a *Statement of Compliance*. For students, the *Statement of Compliance* shall state that the student agrees to attend school regularly, arrive at school on time, demonstrate significant effort toward completion of homework assignments, and follow school and classroom rules. For parents, the *Statement of Compliance* shall state that the parent or legal guardian agrees to ensure his/her child's daily attendance at school, ensure his/her child's arrival at school on time each day, ensure his/her child completes all assigned homework, and attend all required parent/teacher/principal conferences. Failure by a student and/or parent or guardian to sign the respective *Statement of Compliance* may result in disciplinary action.

DRESS CODE – UNIFORM POLICY

(The policy is found in the School District Code of Conduct located later in the handbook.)

The Franklin Parish School Board has adopted a uniform policy which is in effect for the 2022 – 2023 school year. The Franklin Parish School Board expects all students in the parish to take personal pride in themselves by keeping their bodies and clothes clean and free from odor. Students may be sent to home to shower when deemed necessary. Uniforms should fit appropriately.

A committee that consists of school administrators, parents, teachers, and students defines the uniform policies. Students should come to school neat in appearance. Uniforms need to be kept in good condition and fit appropriately. All uniforms must be worn in the manner meant by the manufacturer. This means that there will be no mutilation of any kind. Mutilations include, but are not limited to, tearing, ripping or cutting of hems, cuffs, sleeves or body of any of the coordinates. If a uniform piece should tear or become un-sewn, it must be repaired or replaced before being worn again. Student dress will not be considered proper if it detracts from or disrupts the classroom and/or school decorum. **The principal or designee shall make the final decision of what is considered proper or improper appearance in accordance with the guidelines established in the student handbook and District Code of Conduct .**

Students who are not in dress code will not be allowed to enter class.

It is the responsibility of the parents and/or students to purchase only uniforms that meet all the requirements of the Franklin Parish High School dress code.

The remainder of the policy is in the Student Code of Conduct towards the back of the Handbook.

Also, **DO NOT USE YOUR CELL PHONE TO CHECK THE TIME, BUY A WATCH!**

1 ST OFFENSE	The phone or device will be taken from the student and turned over to a school administrator. A parent will be contacted, and the device will be returned to the parent the next school day. Should the device belong to another student, the parents of both the student using the device and the student to whom the device belongs will be contacted. Only the student using the device will be disciplined. The parent/guardian will be required to sign for the device before it is released. The parent form will state that the parent knows the following discipline actions will be enforced for each subsequent offense:
2 ND OFFENSE	The student will be suspended from school for three (3) school days. The electronic device will be taken. The parent will be contacted and must pick up the phone.

Should students choose to use the phone to video fights, text message test items, text message or call for unauthorized persons to check them out, post incidents that happened on school campus on the internet or similar practices that create a “substantial disruption” to the learning environment on a campus, they shall be suspended out of school for a minimum of three (3) days and possibly recommended for expulsion depending on the circumstances. Law enforcement will be asked to assist with any investigation involving a cell phone that “substantially disrupts” the learning environment on campus.

Students caught using a cell phone in violation of the student cell phone policy and **refusing to turn over the phone to the teacher or an administrator will be TREATED AS WILLFUL DISOBEDIENCE and disciplined according to that infraction.**

EMERGENCY DRILLS/PROCEDURES

Fire Drill – An emergency alarm will indicate a fire or fire drill. A plan for evacuation is posted in each classroom and reviewed with the students during the year. Fire drills are conducted once per month.

Tornado Drill – An emergency alarm or intercom announcement will indicate a tornado or tornado drill. Each teacher will provide instructions and procedures for tornado drills. Additional tornado drill information is posted in each classroom. Tornado drills will be conducted twice per year.

Evacuation Drill - An emergency alarm will indicate an evacuation drill. Each teacher will provide instructions and procedures for these drills which will be conducted twice per year.

Lock-Down - In other emergency situations, the school will be placed on lock-down. During this procedure, all students must enter the nearest classroom and must remain there until the lock-down is over. Lock-down drills will be conducted twice per year.

It is imperative that communication lines be uninterrupted for school officials to maintain vital communication.

NOTE: Students who use electronic devices during a lock-down to comment on social network sites such as Facebook or Twitter will be subject to suspension.

FIGHTING POLICY

The Franklin Parish School Board considers fighting an extremely serious offense that may result in expulsion for a minimum of one school semester.

1. All students participating in GANG-RELATED, PLANNED, EXTREMELY VIOLENT FIGHTS, FIGHTS IN WHICH STUDENTS REFUSE TO COMPLY WITH FACULTY AND/OR STAFF DIRECTIONS, OR USE PERSISTENT AND LOUD VUGLAR LANGUAGE will be recommended for expulsion for a minimum of one school semester or the remaining school year. A normal fight will result in a **45-day suspension.**
2. Corporal punishment, suspension, and/or recommendation for expulsion will be considered for all students participating in ANY fight on school property and/or school function. A mandatory parent conference will be required with the school principal or child welfare and attendance supervisor before the student is allowed to return to school. **High school students** involved in a second fight during the same school year **may be recommended for expulsion.**
3. When a recommendation for expulsion is made, the CWA will set a hearing date and provide written communication to the parent and the school principal within five (5) school days for the recommended expulsion.

GRADING SCHEDULE AND POLICY

Local criteria to be considered in the promotion of the student (grades 1 -12) is as follows. The six-week grades shall be determined by averaging number grades. The numerical value of six weeks, semester, and final grades shall be reported on report cards as follows:

Numerical Grade	Letter Grade	Quality Points	High School AP
93 – 100	A	4	Difficulty points will be added to the final percentage average of each course at the end of each six weeks for AP courses. DP's will be determined by a committee of department heads, school and central office administrators.
85 – 92	B	3	
75 – 84	C	2	
67 – 74	D	1	
Below 67	F	0	

1. A grade of sixty-seven (67) must be obtained before any fractional parts are considered in rounding off averages. When the average of the six-weeks grades or final averages include $\frac{1}{2}$ points, anything $\frac{1}{2}$ (.5) or higher goes to the higher grade; anything lower than $\frac{1}{2}$ (.5) goes to the lower grade. **All classes will be required to include a final exam at the end of the course which will count as one (1) grade for the last 6 weeks.**
2. A passing grade shall be determined by the average of the grades for each subject meeting the following criteria:
 - a. The six-week grades for the year shall average at least seventy (67).
 - b. The grades from the six-weeks grading periods shall be the only grades used to determine the final average grade for the subject. **EOC/LEAP 2025 can possibly count as your final exam or it may count only as 15% of the final grade** (depending on when it is given).
 - c. One (1) unit of credit may be awarded for all one-unit courses. Partial credit (1/2 unit) may not be awarded for one-unit courses. Final numerical average for a course will determine pass or fail.
 - d. Semester grades (i.e. letter grades/quality points) rounded to the nearest hundredth, will be used to determine honor graduates (i.e. Valedictorian, Salutatorian, etc.) If there is a tie, the tie shall remain; and Co-Valedictorians or Co-Salutorians shall be named.
 - e. Only those honors courses available to all students will be used to determine valedictorian, salutatorian, and honor graduates.

Classification of secondary students (grades 9-12) in Franklin Parish will be determined as follows:

Grade	Beginning with Freshmen 2017-18	Prior Students
Grade 9	0 – 5 Carnegie Units	0 – 3 Carnegie Units
Grade 10	6 – 11 Carnegie Units	4 – 9 Carnegie Units
Grade 11	12 – 16 Carnegie Units	10 – 16 Carnegie Units
Grade 12	17 – 24+ Carnegie Units	17 – 24+ Carnegie Units

In addition, secondary students must successfully complete course requirements as outlined in the Louisiana Handbook for School Administrators, Bulletin 741, to be considered for graduation.

A student in the high school program of studies may earn ½ unit of credit for a semester course only. Courses designed for one full credit are full-term classes and must be taken for the full term. No half-credits will be given for full-term courses.

HONOR STUDENTS: Grade point average based on letter grades from each six weeks shall be used to determine class rank and honor students in all Franklin Parish Schools. All courses shall be used when determining honor roll.

Students with a “B” average (3.0 GPA) or higher in all subjects, with no grade lower than a “C” (no “D’s” or “F’s”), are considered for Honor Roll.

HALL CONDUCT

Classes are in session at all times. A student should conduct himself in a courteous manner. Shouting, shoving, running, or loitering in the halls is not allowed. HALL PASSES

Each teacher has a hall pass which will be issued to any student who leaves that classroom to go to the restroom or take care of any other emergency. The hall passes will allow administrators and other hall monitors to readily see if a student is in an authorized area of the building. It is expected that students will handle their business in a reasonable amount of time. Should a student take longer than is considered reasonable, that student may be referred to the office. **STUDENTS SHOULD NEVER BE IN THE HALL OR RESTROOM DURING CLASS PERIODS WITHOUT A HALL PASS.** Halls and restrooms will be closely monitored each period by assigned personnel.

Any student going to the parking lot after school begins must have a permit from an administrator.

HiSET

This program is designed to meet the needs of students who have not been successful in a traditional school setting and need additional help in achieving their goals. The HiSet test has taken the place of the GED as the high school equivalency test. The HiSet program will allow students to work on a computer-based program designed to help them pass this test while also taking career diploma or jump start courses for career readiness. Students will be tested and placed into the program they need. A program is offered at Delta Community College.

In order to participate in this program, students must be 16 with less than 5 Carnegie Unit credits, 17 with less than 10 Carnegie Unit credits, or 18 with less than 15 Carnegie Unit credits. LATE ARRIVAL TO SCHOOL

The Franklin Parish School System provides bus transportation for all students daily. Those students who do not use this transportation are still expected to arrive to school on time, ready to participate and learn. Students are expected to plan their time effectively so that they arrive to school and classes in a timely manner. It is the belief of FPHS that each child should be entitled to the maximum instructional time each day and each period; therefore, a tardy policy has been implemented which supports and reinforces this philosophy.

Unexcused late to school arrivals are logged separately from unexcused tardies to class; however, both can have a negative impact on instruction. Therefore, both are cumulative for the duration of one semester. Additional requirements and consequences are listed below.

1. **Students arriving to school after 7:40 a.m. or later must check in at the office.** Students late to school will not be allowed to go to class without an excuse/pass from the office after 7:40 a.m. The student will be given the opportunity to make up missed work if the reason for the late arrival is a doctor's appointment.
2. More than 2 late to school arrivals, not related to a doctor's appointment, will require that the student see an administrator for disciplinary action. Course credit for the class may be affected by late arrival, and work missed before arrival **will not be allowed to be made up unless excused because of a doctor's appointment.**

LIBRARY POLICY

1. The library is a place for quiet reading and reference work. Students are expected to use it as such. Any departure from this will limit the student's library privileges.

Students must pay cost of the book, processing, and any accumulated fees.
 4. No student is to check out more than one non-fiction book at a time.
 5. All circulating books not on reserve may be checked out for 14 days and renewed, but the student must have the book(s) for renewal.
 6. The date due is stamped on an orange date due card that is placed in the book. This considered sufficient notice of when the book is to be returned. Fines of \$0.05 a day (excluding weekends, and holidays) will be levied for books not returned on time. The fine shall not exceed the cost of the book.

5. Any student dropping from the rolls of this school should give the librarian at least one-hour notice of his intention to do so in order that the library fines may be checked. Any unpaid debt will become a part of that student's record.
6. After consulting the Reader's Guide, the student should submit a written list of needed magazines to the librarian. The magazines will then be pulled from the files. These circulate only at the discretion of the librarian and only in the library.

 - Students are not to visit their car at any time during the day.
 - Students are not to leave campus once they arrive on campus. Students may not sit in their vehicles once they arrive. If the student does not want to go up to the ramp area, they do not need to arrive earlier than 7:30.

Our school resource officer (SRO) and administration will check the parking lot on a daily basis to see if all vehicles belong on our campus and have tags visible in the window. **Any vehicle that is parked in our parking lot without a parking permit is subject to being towed at the owner's expense.** The SRO may issue tickets for rule violations such as not displaying a parking permit, improper parking, etc. Smoking on campus is strictly forbidden, and that includes smoking in one's vehicle OR allowing anyone else to smoke in one's vehicle. If you are involved in an accident on campus, PLEASE do not move the vehicles involved in the accident until local law enforcement personnel arrive and complete an accident report. When entering and exiting the campus, please observe law enforcement and respond to their signals appropriately. Faculty members will be stationed in the parking lot in the mornings and afternoons to observe the parking lot and to assist you in entering and exiting the campus.
6. Anyone not following the above safety policies will be subject to a citation. The final decision for disciplinary action will rest with the Principal and/or Assistant Principals.

VALEDICTORIAN, SALUTATORIAN, AND HONOR GRADUATES

Definitions

Valedictorian: The student with the highest cumulative grade-point average (GPA) using the criteria from the following paragraphs. In case of ties, all students who tie will be valedictorians.

Salutatorian: The student whose cumulative GPA falls immediately below the student(s) who is/are valedictorian(s). In case of a tie, all students who tie will be salutatorians.

Honor Graduates: Students whose cumulative GPA's are 3.6 and higher but below the salutatorian's GPA.

In order to prevent an unfair advantage to those students who pursue fewer courses in their senior year than other seniors, the following procedures have been developed for figuring academic honors. The final cumulative GPA after the third year in high school places them in consideration for academic honors. Academic honors will be based on the minimum number of courses. Only those honor courses available to all students will be used to determine valedictorian, salutatorian, and honor graduates.

The final cumulative GPA will be figured following completion of all course work at the end of the last grading period. The final grades in these courses considered will be used to figure the final cumulative GPA.

To be eligible for valedictorian or salutatorian, a student must have attended Franklin Parish High School during his junior and senior years. The final four semesters of academic course work must be completed at FPHS.

College courses may be taken for high school credits. These courses must be approved by the principal or guidance counselor. Depending on the nature and requirements of the course and approval of administration, either regular credit or honor credit will be given.

Senior year courses used to figure the final cumulative GPA will be considered in the following order. (See Grading Schedule on page 12.)

- Honors Courses
- English IV
- Advanced Mathematics
- Physics
- Other English, Mathematics, or Science requirement (in order as written)
- Social Studies Requirements
- Any other required course
- Electives

VANDALISM/SENIOR PRANK

It is the duty and responsibility of each student to share in the preservation and care of the school building and equipment. Any wanton destruction of school property must be replaced or paid for by that student. **Any graffiti or vandalism will result in disciplinary action, including exclusion from graduation exercises.** Law enforcement authorities will be notified of such acts. Each student is charged with any books, lockers, or other material issued by school authorities and is financially responsible for them. Grades, transcripts, and other information will be withheld by the school until all fines are cleared. **Students may also be prevented from enrolling in school the following year until all debts are cleared.**

VAPING

Vaping or the use of electronic cigarettes is strictly prohibited at the bus stop, on the bus, on school grounds (before, during, or after school), or at school-related activities. A student found in violation will be subject to suspension and the district Student Code of Conduct.

VISITORS

Only adults who have legitimate business at school will be allowed on campus. All visitors must park in front of the school, report to the reception desk in the main office, sign the visitor's log, and obtain a visitor's pass before going to any office. This pass should be worn at all times while on campus. Visitors must sign out and return the visitor's pass upon leaving. Guests or visitors of students, including brothers, sisters, cousins, etc., are not allowed at school. Students will be checked in and out at the front desk. No visitor will be allowed to obtain a visitor's pass if they are not dressed appropriately. (No pajamas or revealing clothing). Lunches/food or drink cannot be delivered to students during school. All visitors are expected to leave promptly when their business is completed.

WITHDRAWALS/DROPS

If a student withdraws from FPHS for any reason, it is necessary that he/she, parent, or guardian obtain an official withdrawal form from his/her counselor to start the withdrawal process. The counselor will complete the basic information and refer the student to the principal or designee for approval. The student should take all books received back to each of his/her teachers (or library) for their signature and current transfer grades and obtain all other signatures required on the form. Once this has been completed, the form must be returned to the guidance counselor for final processing.

Remember, no school will accept any student without proper withdrawal papers. The official withdrawal allows the student to enter until proper transfer information can be forwarded.

PARISH AND SCHOOL POLICIES AND REQUIREMENTS DO CHANGE DURING THE COURSE OF ANY GIVEN SCHOOL YEAR AND CANNOT ALL BE LISTED IN THE LIMITED FORMAT OF OUR STUDENT HANDBOOK. ALL PARISH AND SCHOOL POLICIES WILL BE ADHERED TO WHETHER OR NOT THEY APPEAR IN THIS HANDBOOK.

Franklin Parish School Board

Acceptable Use Policy and Internet Safety Agreement

2022-2023

Statement of Purpose

Franklin Parish School Board is pleased to offer our employees and students access to the World Wide Web and other electronic networks. The advantages afforded by the rich, digital resources available today through the World Wide Web outweigh any disadvantage. However, it is important to remember that access is a privilege, not a right, and carries with it responsibilities for all involved. This policy applies to all persons who gain access with any device, whether personal or district provided, to the school network. This policy also applies to all persons accessing any district owned device, regardless of location.

Terms of Agreement

This policy applies to all persons using the Franklin Parish School Board network, accessing the Internet, using a Franklin Parish School Board computer system, and/or accessing any district owned technology. In order for a student/minor to be allowed access to a school computer system, computer network, the Internet, or any district owned technology, parents must sign and return the attached consent form. For the purpose of this policy, a minor is defined as an individual who has not attained the age of 17 years. For the purpose of this policy, a device is defined as any computer system, network communication equipment, mobile hotspot, or external storage media owned by Franklin Parish School Board.

Acceptable Uses

The District is providing access to its school computer systems, computer networks, and the Internet for **educational purposes only**. The board expects that staff will blend thoughtful use of such information throughout the curriculum and that the staff will provide guidance and instruction to students in the appropriate use of such resources. If you have any doubt about whether a contemplated activity is educational, you may consult with the person(s) designated by the school to help you decide. Accordingly, regulations for participation by anyone on the Internet shall include, but not be limited to, the following:

- a) All users must abide by rules of Network etiquette – Netiquette, including the following:
 - Be polite. Use appropriate language and graphics-no swearing, vulgarities, suggestive, obscene, belligerent, or threatening language. Personal attacks are an unacceptable use of the network or device. If a user is the victim of a harsh, critical, or abusive statement, the user should bring the incident to the attention of the immediate supervisor or technology coordinator. It is better not to respond to these types of attacks.
 - Avoid language and/or graphic representations which may be offensive to other users. Do not use a device, network, or Internet access to make, distribute, or redistribute jokes, stories, or other material which is based on slurs or stereotypes relating to race, gender, ethnicity, nationality, religion, or sexual orientation.
 - Do not assume that a sender of e-mail is giving his or her permission for you to forward or redistribute the message to third parties or to give his/her e-mail address to third parties. This should only be done with permission or when you know that the individual would have no objection.
- b) Teachers may NOT allow individual students to use personal email, electronic chat rooms, instant messaging, social networking sites (i.e. Facebook and Twitter) and other forms of personal direct electronic communications. Webmail is NOT permitted on any computer located in the classroom or used by students except for school-provided student accounts that are educationally sound and safe that function similar to that which is provided by services such as Google Apps for Education email. The teacher will use due diligence to monitor and insure the safety/security of minors when using such approved communication, such as, Google Apps for Education email, chat rooms, or other direct electronic communications.
- c) No personal addresses, personal phone numbers, or last names of minors will be permitted to be given out on the Internet or for any type of student account. No identifiable photographs will be allowed to be

published on the Internet without appropriate written consent. Concerning a student/minor, appropriate written consent means a signature by a parent or legal guardian of the student.

- d) **A student may not attempt to access any Internet resource without the prior consent of the teacher.** The Internet is an extension of the classroom, and teachers are responsible for and must be aware of where his/her student goes on the Internet. Students are responsible for good behavior on school computer networks and devices just as they are in a classroom or a school hallway. Communications on the network are often public in nature. General school rules for behavior and communications apply.
- e) Students encountering information or messages they deem dangerous or inappropriate on the web or when using electronic mail or direct communications should notify their teacher or other adult faculty member.
- f) **Student Photos/Student Work.** Publishing student pictures and work on websites promotes learning and collaboration and provides an opportunity to share the achievements of students. Images and products of K-12 students/minors may be included on the website without identifying captions or names. Parents/guardians must indicate their written consent to publish their child's photo or school work on any school-related website BEFORE the item is published to the web. Please note that under no circumstances will K-12 student photos or work be identified with first and last name on a Franklin Parish website, including the district, school, or teacher website.

Privacy. Devices, network, and Internet access is provided as a tool for your education. The District reserves the right to monitor, inspect, copy, review and store at any time and without prior notice any and all usage of a device, the computer network, and Internet access and any and all information transmitted or received in connection with such usage. All such information files shall be and remain the property of the District, and no user shall have any expectation of privacy regarding such materials.

Copyright. All students and faculty must adhere to the copyright laws of the United States (P.L. 94-553) and the Congressional Guidelines that delineate it regarding software, authorship, and copying information.

Devices. Access to a district owned device is a privilege, not a right. It is to be used for **educational purposes only**.

Network Access. Access to the school network is a privilege, not a right. Every school in the district relies on the district network; therefore, preserving the integrity of that network must come first. The use of personal wireless access points or routers on campus is restricted, as their use causes network instability. The district technology department **must** be notified **before** connecting any device to the school network to prevent network problems.

Websites. It is the policy of the Franklin Parish School Board that all district, school, classroom or other school related websites be updated and maintained by a faculty or staff member of the Franklin Parish School Board. Under no circumstance should a student/minor be allowed to post information on a district, school, classroom website or other school related websites without final approval from the site administrator.

Failure to Follow Acceptable Use Policy

The network and district owned devices are provided for students to conduct research, complete assignments, and communicate with others. Access to devices and network services will be provided to students who agree to act in a considerate and responsible manner. Use of a device, computer network, and Internet is a privilege, not a right. A user who violates this agreement shall, at a minimum, have his or her access to a device, the network, and Internet terminated and is subject to disciplinary action by the school administrator. The District may also take other disciplinary actions. Listed below are examples of unacceptable uses of a device and/or the network.

- a) Uses that cause harm to others or damage to their property are prohibited. For example, do not engage in defamation (harming another's reputation by lies); do not employ another's password or some other user identifier that misleads message recipients into believing that someone other than you is communicating or otherwise using his/her access to the network or the Internet; do not upload a work, virus, trojan horse, time bomb, or other harmful form of programming or vandalism; do not participate in hacking activities or any form of unauthorized access to other computers, networks, or information systems.
- b) Uses that jeopardize the security of student access and of the computer network or other networks on the Internet are prohibited. For example, do not disclose or share your password with others; do not impersonate another user.

- c) Uses that are commercial transactions are not allowed. Students may not use a device or school network to sell or buy anything over the Internet. You should not give others private information about yourself or others.
- d) Illegal activities, including copyright or contract violations, shall not be permitted on a device or the Internet.
- e) A device or the Internet shall not be used for commercial, political, illegal, financial, or religious purposes. Violations shall be reported to a teacher or an administrator immediately.
- f) Threatening, profane, harassing, or abusive language shall be forbidden.
- g) Use of a device or the network for any illegal activities is prohibited. Illegal activities include (a) tampering with computer hardware or software, (b) unauthorized entry into computers and files (hacking), (c) knowledgeable vandalism or destruction of equipment, and (d) deletion of computer files. Such activity is considered a crime under state and federal law. Any use which violates state or federal law relating to copyright, trade secrets, the distribution of obscene or pornographic materials, or which violates any other applicable law or municipal ordinance, is strictly prohibited.
- h) No user is permitted to knowingly or inadvertently load or create a computer virus or load any software that destroys files and programs, confuses users, or disrupts the performance of a device and/or the network. No third party software will be installed without the consent of the assigned administrator.
- i) Invading the privacy of another user, using another's account, posting personal messages without the author's consent, and sending or posting anonymous messages shall be forbidden.
- j) Accessing pornographic or obscene materials or using or sending profanity in messages is forbidden.
- k) Any subscription to list serves, bulletin boards, or online services shall be approved by the superintendent or his designee prior to any such usage.
- l) The use of anonymous proxies or any site that allows the user to get around content filtering is strictly prohibited and is a direct violation of this agreement.

Device and Internet Safety

- **Parents and Users:** Despite every effort for supervision and filtering, all users and their parents/guardians are advised that access to a device and the network may include the potential for access to materials inappropriate for school-aged students. Every user must take responsibility for his or her use of a device, the network, and Internet and avoid these sites. Ultimately, parents and guardians of minors are responsible for setting and conveying the standards that their children should follow when using media and information sources.
- **Personal Safety:** In using a device, the network, and Internet, users should not reveal personal information such as home address or telephone number. Users should never arrange a face-to-face meeting with someone "met" on the Internet.
- **Confidentiality of Student Information:** Personally identifiable information concerning students may not be disclosed or used in any way on the Internet without the permission of a parent or guardian. Users should never give out private or confidential information about themselves or others on the Internet.
- **Active Restriction Measures:** The District will utilize filtering software or other technologies to prevent all users from accessing visual depictions that are (1) obscene, (2) pornographic, or (3) harmful to minors. The filter can be disabled for adults engaged in bona fide research or for other lawful purposes. The use of anonymous proxies or any site that allows the user to get around the content filter is strictly prohibited and will be considered a violation of this policy. All teachers will use due diligence to monitor minors while on the Internet, and faculty and staff will encourage students to be safe online. For at home device use, parents and guardians of minors remain the responsible party.
- All minors should be educated each year about appropriate online behavior, including cyberbullying, awareness and response, and interacting with other individuals on social networking sites and in chat rooms.
